MEMORANDUM FOR THE RECORD

SUBJECT: ELINT Course

25X1

TS #172428, USIB-D-3.2/3, First Draft, 11 August 1959, Annual Report to the National Security Council on the Status of the Foreign Intelligence Program, includes the statement, "A brief special annex on COMINT and ELINT matters is being developed and coordinated independently through the Chairman and Executive Secretary of the COMINT and ELINT committees." I have invited the special annex on ELINT to [redacted]'s attention and he will check with the ELINT staff relative to obtaining copies. This report gives an excellent picture of just where the United States stands today in its over-all intelligence collection effort.
